

PARTICIPATION OF TCDAV PUBLIC SCHOOL IN 24th NATIONAL CHILDREN SCIENCE CONGRESS 2016-17

Our school students participated in the National Children Science Congress held at Dhroll on 8 September 2016. The students represented our school at Dhroll under the guidance of Mrs. Indu Bajpai, Mrs. Sindhu Rathore and Mrs. Nivedita Joshi. The students participated in both the senior as well as the junior categories, their topics were 'HEALTH, HYGIENE AND NUTRITION' and ENERGY CONSERVATION respectively. They prepared their project reports on the basis of various surveys conducted in Mithapur Township. Students made charts, ppt presentations and overall worked very hard on this project. Science Department congratulates all the participants and all the supporting members. We are also thankful to Mr. R.K. Sharma for his support as without his guidance the project would not have been as successful.
